RE: In the Matter of Improving Communications Services For Native Nations
CG Docket No. 11-41

Dear Commission:

Enclosed for filing please find the Comments of the Warm Springs Telecommunications Company in connection with the above referenced proceeding.

I realize that this filing is a few days late, so I hope you will still allow us to file. We are a very small group doing all the work of building a new telephone company and have recently had a family medical emergency followed by the filing of the FEMA Tribal Homeland Security Grant application, also due on June 20th.

Thank you for your concern in this matter.

Sincerely,

Marsha Spellman
